En 'Inner Child', V le canta a su yo del pasado, en retrospectiva, que ambos van a triunfar y que todo saldrá bien, creciendo no sólo físicamente, sino también como mejores personas

"Para el niño pequeño en mí que trabajó duro para convertirse en quien soy hoy."
Kim Teahyung(V)-BTS

그때 우리
참 많이 힘들었지
너무나 먼 저 하늘의 별
올려보면서
그때의 난
은하수를 믿지 않아
하지만 난 봐버렸는 걸
온색 galaxy

At that time
We were so tired
While looking up at these stars in the sky
Too far out of reach

You at that time
Didn't believe in galaxy
But I saw it
A silver galaxy

아팠을 거야
너무 힘들었을 거야
끌없는 빛을
쫓아 난 달렸거든
아릿해 와 그 어름날의 공기
너무 차갑던 갯빛 거리의 소리
숨을 마시고 네 문을 두드리네

It would have hurt
It would have been so tiring
Because I ran
Towards the endless light

The tingling sun and that summer's air
The grey-lit streets' sounds that were so
cold
I draw in a breath and knock at your door
